

# ROCKMEC' 2018 – 12<sup>th</sup> Regional Rock Mechanics Symposium of Turkey

www.rockmec2018.com

**1<sup>st</sup> Announcement**

**October 3-5 2018, TRABZON**

## Themes of Symposium

Numerical and analytical studies  
Experimental rock mechanics and physical modelling  
Field measurements, instrumentation and monitoring  
Rock material and rock mass properties  
Fundamentals of rock mechanics  
Rock engineering in underground mines  
Tunnelling, underground excavations  
Basic excavations in rock masses  
Slopes and open pit mines  
Drilling-blasting and environmental effects  
Earthquake mechanics  
Rock mechanics applications in petroleum and natural gas engineering  
Applications of rock mechanics in nuclear energy engineering  
Rock mechanics and engineering for dams and construction foundations  
Rock mechanics applications in urban areas  
History of rock mechanics and rock engineering  
Rock mechanics and rock engineering at historical sites  
New generation machines and materials in rock engineering  
Work safety and worker health in rock engineering  
Geomechanical applications in mining  
Geophysical applications in rock engineering  
Drilling technology.  
Environmental geomechanics

## Venue

Osman Turan Culture and Congress Center, KTU

## Organized by:

Turkish National Society for Rock Mechanics (TNSRM)  
Mining Engineering Department of Karadeniz Technical University

## Organization Committee

Dr. Ayhan Kesimal (Chair)  
Dr. Hasan Aydın Bilgin (President of Turkish Nat. Society for Rock Mechanics)  
Dr. Ali Osman Yılmaz (Head of KTU Mining Engineering Department)  
Dr. Ergün Tuncay  
Mr. Hasan Şişman  
Dr. Hakan Ersoy  
Dr. Bayram Erçikdi  
Dr. Ferdi Cihangir  
Dr. Hasan Karakul  
Dr. Kadir Karaman  
Dr. Eren Kömürlü (Symposium Secretary)  
Mrs. Esra Nur Tanrıseven  
Mr. Şener Aliyazıcıoğlu  
Mr. Ercüment Koç

## Sponsors

Sponsors will be announced. Please contact with Dr. Ferdi Cihangir for sponsorships (Tel: +904623774055, e-mail: cihangir@ktu.edu.tr)

## Registration Fee

Registration Fee: 400 TL (ISRM or TNSRM members: 300 TL, Students: 200 TL)

## Important dates (Deadlines)

Deadline for Abstract Submission : December 1, 2017  
Notification for abstract acceptance: December 8, 2017  
Full manuscript submission: March 23, 2018  
Review results for full manuscripts: May 4, 2018  
Revised full manuscript submission: June 8, 2018  
Detailed program announcement: September 7, 2018

Abstracts (less than 200 words) should be sent to symposium secretary, by e-mail

## Languages and Proceedings

The official languages of this conference are Turkish and English.
